

FINAL REMARKS

The Examiner's objections per section 112 and for informalities have been addressed by the aforementioned amendment.

As such, all claims should now be allowable.

Should the Examiner have any further questions or concerns the Examiner wishes to address by Examiner's amendment by telephone or otherwise, or should the Examiner have suggestions to more clearly define the subject matter of the claims to more clearly define the patentable subject matter, the Applicant's attorney would be most receptive to such.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'DK Harms', is written over a horizontal line. To the left of the signature is a large, hand-drawn circle.
